COACHING GIRLS GUIDE: HOW TO GET (AND KEEP) GIRLS PLAYING

Co-authored by 'Made to Play' by Nike and CHJS

# In collaboration with Nike and CHJS, this transformative guide delves into the art and science of coaching girls.

The goal of this guide is to help coaches create sport spaces that are more inclusive and welcoming for girls and other young people on the gender spectrum who are traditionally marginalized from sport.

While we know that young people with diverse gender identities certainly face additional barriers to inclusion in sport, we believe that many of the lessons learned about coaching girls can dismantle some of those exclusionary practices.

When program leaders and coaches become more curious about how to pull more young people, especially girls and trans girls, into sport, we can move toward a system that welcomes all young people, not regardless of who they are, but because of who they are.
