Young Pacific Leaders Women's Sports Programme - Host Organisations

Alongside Pasifika Sisters in Sport, we are excited for the return of the Young Pacific Leaders Women's Sports Programme in 2025.

Host organisation expressions of interest are now open - we invite sport, physical activity or health organisations based in Auckland to participate in this exciting initiative as one of our host organisations.

Through mentorship and cultural exchange, this programme is designed to empower emerging female leaders from the Pacific Island nations. As a host organisation, you can mentor and support a participant from one of these countries for two weeks in March 2025 and learn from their experiences in the Pacific.

For more information on hosting - please read the booklet below.
